BUSINESS LEADERS SUMMIT 2017

Business Leaders Summit – an open platform that brings together some of the India's most brilliant minds to share their leadership strategies and insights into financial, economic and management issues.

Business Leaders Summit provides precisely the right platform for these corporate leaders to inter-mingle and share their experiences therefore providing valuable insight on particular aspects of the business world. These initiatives will serve as a catalyst for the growth of new leaders and entrepreneurs to spur the industrial growth and to drive the region's economy.

The main purpose of the summit is to focus on business & service sector, challenges and opportunities in the respective field. The theme of the Summit is revolved around various topics **“Impact of GST on Indian economy and common man?”**, **“Privatization will lead to less corruption?”** **“Is foreign direct investment (FDI) in retail sector good for India?”**, **“India – still attractive investment destinations?”**

Following the Summit, policy recommendations identified will be incorporated into Business Majority's policy platform—the Business Economic Agenda for 2016-18—released to the media and shared with decision makers to elevate issues of importance to business owners and the suite of policy recommendations to act on to help small businesses thrive and grow the economy.

Key Highlights:

- Biggest networking event for leaders from around the Asia.
- Extensive media coverage for the Summit during and after the event
- Expo & Exhibition for showcasing best product & Service.
- Ministers' Conclave and Secretaries' Conclave
- Industry Leaders' Conclave and service Leaders' Conclave
- Adapting best practices from the outstanding business practitioners
- Redefining business growth techniques and innovative ways in trade
- Identify and Creating New Clusters of Global Economic activities
- Acknowledging and Highlighting the Best Business Leaders

The guests and speakers will be primarily from the following areas:

- Economy Policy Makers, Ministers, Secretaries
- Chairman, Managing Director, Executive Director, President
- Edupreneuers, Entrepreneurs, Private Equity Investors, Venture Capitalists
- C- Level Executives: CEO, CTO, COO, CMO

BUSINESS LEADERS

AWARDS 2017

Business Leaders Awards 2017

Business Leaders is a concept, which is at the core of all successful business and service providers - individuals or companies. The best performers and innovators in the business and services industry will vouch for the fact that success comes only by creating exceptional customer experience.

Business Leaders Awards are the definitive awards celebrating the spirit of excellence in business leadership in India. The recipients of the awards are visionaries behind today's outstanding businesses. They are stellar individuals who epitomize strength, ingenuity, knowledge, foresight and who drive the growth of their businesses with vision and inspiration.

Worldwide Achievers Business Leaders Awards 2017 honor the doers and pioneers in spectacular style as the Business and Services Industry joins in to facilitate India's top Banking Sector, Telecom Industry, Manufacture Industry, Service and Technology Provider, Education Service Provider, Healthcare & wellness, Hospitality, Leisure & Tourism, Real State Companies and more.

The Objective

- To identify and recognize business and service excellence, associated service innovations and best practices that lead to customer satisfaction and delight.
- To highlight the importance of business and service excellence in today's competitive and ever-changing business environment.
- To showcase customer service as a serious business operation element and a profession.
- To enhance professionalism in customer service and enhancing the motivation, pride and self-esteem of service professional further.
- To introduce global standards in customer service at local level which shall help service individuals and businesses develop a customer-centric ethos and sustain it through required changes in design and delivery of services.

The Criteria

Every year, our company identifies and recognizes the achievements of some of the finest organizations with the Business Leadership Awards based on a comprehensive market research study being conducted by our company considering various criteria that include but are not limited to Infrastructure, Quality, Annual Growth, and Feedback from the industry etc.
